Allowable Subject Matter

1. Claims 1-36 are allowed.

Reasons for Allowance

2. The following is an Examiner's statement of reasons for allowance:

The closest prior art to Business Wire (Business Wire, Shoplink Selects Descartes' eBusiness Home Delivery Solution to Optimize Service and Delivery for the Online Grocery and Household Service, and CNN Matthews (CNN Matthews, The Descartes System Group Unveils Revolutionary Web-Based Delivery Management System to Monitor the Flow of Products Throughout the Entire High-Tech Supply Chain) CNN Matthews teaches a method for notifying about any exceptions to their others and delivery schedules. Business Wire teaches a scheduling method which allows customers to interactively schedule their own deliveries according to their personal preferences while optimizing delivery resources. However, the combination of Business wire and CNN Matthews fails to teach automatically recomputing a delivery sequence based on the delivery change request and transmits the recomputed delivery sequence to the employee, the delivery employee delivering the goods according to the recomputed delivery sequence as recited in independent claims 1, 11, 17, 19-20, and 28.

Claims 2-10, 12-16, 18, 21-27, 29-36 depend from independent claims 1, 11, 17, 19-20, and 28 above; therefore, claims 2-10, 12-16, 18, 21-27, and 29-36 are similarly allowed for the same reason indicated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
